Take advantage of our skills-building, employability-boosting environmental programme!

IT'S
FREE!

Our Shaping Sustainable Futures programme has been designed to give 16-24 year olds an introduction to the green sector, building skills for the future, helping you explore exciting job opportunities and contribute to the environmental agenda in housing.

These residentials are completely free to attend, with accommodation and all meals included.

WHAT YOU'LL DO

Shaping Sustainable Futures has been created to equip you with the tools and knowledge needed to thrive in the evolving landscape of sustainable housing. The programme will explore a diverse range of topics, including green skills, energy efficiency, green technologies, and much more.

Through a mixture of engaging workshops, hands-on activities, and expert-led discussions, you'll start to understand how your skills can help shape the future of housing, as well as being able to make environmentally conscious choices in your daily life.

WHAT YOU'LL GET OUT OF IT

● PRACTICAL SKILLS:

Get ready to dive into practical, real-world scenarios that will prepare you for the challenges and opportunities in achieving the housing sectors environmental targets.

● EXPERT GUIDANCE:

Meet employers and learn from experienced professionals at the forefront of sustainable housing initiatives and wider green economy.

● MEET YOUR GREEN GANG:

Connect with other young people who share your passion for creating a greener, more sustainable world.

● MAKE AN IMPACT IN YOUR COMMUNITY:

With support from a dedicated mentor and your youth worker/housing officer, you'll develop your own environmental action plan to deliver for your community.

● HAVE A GOOD TIME:

Immerse yourselves in fun team-building activities, challenge a friend to pool or table tennis and explore our inspiring grounds!

WHAT DO WE GET OUT OF IT?

The UK will be unrecognisable by 2050, with the way we live and work changing to become more environmentally friendly.

Reducing the carbon footprint of housing is a huge challenge that we can't tackle without your help.

Most of the jobs of the future will support our need to transform the way we live to save the planet. Our 'Shaping Sustainable Futures,' programme will help you build the skills to help us achieve our environmental targets.

WHEN

- 29th November - 1st December 2023
- 24th - 26th January 2024
- 28th February - 1st March 2024

WHERE

Trafford Hall, Ince Lane,
Chester, CH2 4JP

These fun and transformative residential programmes will be run at Trafford Hall (Chester), an impressive 200-year-old building that is a shining example of how buildings can be brought into the future. As part of the programme, you'll learn how extensive retrofit work completed on this building has made it virtually carbon neutral.

Ready to start shaping sustainable futures? Speak to your Housing Officer, Neighbourhood Officer, or Youth Worker to attend.

***Hurry, as spaces are limited and in high demand.**
